Pet Care Referral List

This is a list of resources that each have been recommended by satisfied clients. We cannot guarantee the quality of these services. However, please help us by providing feedback about your experience with any of these referrals.

This icon indicates that the pet care facility has implemented Fear Free methods. Fear Free techniques help eliminate fear, anxiety, and stress on pets during pet care. Here at Blum, we are passionate about Fear Free and all of our staff members are Fear Free Certified.

*** Indicates a facility can administer oral medications**

**** Indicates a facility can administer oral and injectable medications**
